Results Unaffiliated Dressage - Monday 8th October 2012

N.B. We have made some adjustments to the results because there were a few entries in the wrong sections. In future, the Open section will also receive rosettes at our shows. There will be an Open section at the championship show on 22nd April 2013 but it will not be a championship section i.e. this section is open to all riders. Only qualified riders in the Restricted section will be eligible for the championship section.
