Kennaa Riding Club Arena Eventing Series 2019

DATE : 1st MAY 2019

The table is a large grid with 20 columns and 25 rows. The first column is significantly wider than the others, serving as a header for the data. The remaining 19 columns are of uniform width. The grid is used for recording scores for various eventing disciplines: Dressage, Cross-Country, and Eventing. Each row represents a different rider or horse, and each column represents a specific score category. The grid is currently empty, ready for data entry.
